PETITIONER'S COMMENTS

Please accept these comments as restated below from
Proponents original petition.

DISCUSSION

Petitioner respectfully submits that the public
interest would be served by allocating Channel 248A to
Center, Texas as that community's first competing FM
service.¹ Center, Texas is an incorporated city with a
population of 5,678 people and 487 businesses that have
been given a credit rating by Dun & Bradstreet as of the
last quarter of 2000.² Center has its own mayor, its own
independent school district, its own post office, fire
department, city offices and a number of local churches.

¹ Center is currently served by KQBB fm and KDET am.

² Texas Almanac 2002/ 2003.

Center is a community that is certainly deserving of a competing FM service. The proposed channel 248A will provide additional diversity and an outlet for local self-expression to Center residents and therefore is in the public interest.

Should this petition be granted and Channel 248A allotted to Center, Texas, Petitioner will apply for Channel 248A at Center, Texas and after it is authorized, will promptly construct the new facility.

The factual information provided in these Comments is correct and true to the best of my knowledge.

Respectfully submitted,
